

Kushal Biswas

Data Analyst & Developer | +91-9021148037 | biswaskushal751@gmail.com | [LinkedIn](#) | [GitHub](#)

Profile Summary

A data-driven Analyst and Full-Stack Developer skilled in **Python, SQL, Power BI**, and modern web technologies. Experienced in building real-time financial applications, including a **GenAI-based stock insights platform and a Zerodha-style trading web app**. Strong in data cleaning, analysis, visualization, and API integration. I combine analytical thinking with clean development practices to deliver accurate insights, user-focused dashboards, and scalable applications.

Skills

- **Programming Languages:** Python, java, SQL, JavaScript
- **Programming Tools:** HTML, CSS, React JS, Node JS, Express JS, Mongo DB.
- **Libraries and Frameworks:** Pandas, Numpy, Matplotlib, Git, GitHub.
- **Analytics Tools:** Power BI, Data Visualization, Excel, Dashboard Creation, Data cleaning

Projects

- Developed a **GenAI-powered** financial insights web app using **Python, Flask, HTML, CSS, JavaScript**, and **Plotly** to deliver real-time stock analysis, predictive insights, and market news visualization. Integrated APIs and an AI chatbot for intelligent, conversational financial assistance.
- I developed a fully functional Zerodha-inspired stock trading web application featuring real-time market data, user authentication, responsive stack development using **HTML, CSS, JavaScript, React.js, Node.js, Express.js**, and **API integration**. It demonstrates my ability to build scalable, user-friendly financial application with clean architecture and optimized performance

Education

- MCA from G. H. Rasoni Skilltech University, Nagpur. - 7.20 CGPA (JUNE-2026)
- BCA from G. H. Rasoni Amravati University. - 7.77 CGPA (JUNE-2024)
- HSC from Maharashtra state board in Z.P.M.G jr. science college Ghot. - 76% (JUNE-2021)
- SSC from Maharashtra state board in Z.P.M.G high school Ghot. - 68% (JUNE-2019)
